August Homestay: Consider being a Host Family

We're looking forward to our next group visiting from Harima-cho when they arrive this summer on Wednesday August 24, staying through Sunday, Aug. 28, departing on Monday August 29. Please consider opening your home for one of our international guests, for a rich and rewarding experience. More details to follow.

Students Anticipating Trip to Japan Orientation meetings continue for our group of seven high school students as they prepare for their trip to Japan from June 12-21. They are learning many of the customs and cultural differences; some common phrases to help with communication; reviewing the itinerary of the trip; and beginning communication with their Host Families. They will travel with 3 adult chaperones.

Japanese Garden

The Japanese Garden in downtown Lima is located along the Ottawa River walkway near the Lima YMCA. The cherry trees planted there are gifts from Harima-cho school children, and Lima donated redbud trees. All should be blooming soon. Be sure to visit and enjoy!
