Rhodes State
College:
FREE
MANUFACTURING
TRAINING!**

The West Central Ohio Manufacturing Consortium includes some of the area's most prominent companies. It sponsors a course to teach potential employees the skills to enhance their chances for a career in manufacturing. **The 40-hour course will be held on Mondays thru Thursdays, June 4-28, 9:30 am to 12 noon, at Rhodes State College, 4240 Campus Drive, Lima. Complete the 4-week course and earn referrals, job opening information, invitations to job fairs, mock interview days and other events that enhance your chances for employment. To register, phone 419-995-8353.**

This course includes a module with hands-on training with an Integrated Systems Simulator and National Career Readiness Certification assessments!

To register, contact the WCOMC at 419-995-8353 by June 1.
